REPORT OF BOARD OF HEALTH.

The board of health has had but few cases of contagious disease to contend with during the past year.

In March a case of smallpox developed in a family having just moved into town. It was a mild case and there was no spreading of the disease.

In November diphtheria threatened to be epidemic, eleven cases coming on within a few days. Happily the threatened epidemic proved abortive and was confined to the eleven original cases. Measles appeared but were confined to a few cases.

We wish to impress upon the minds of the inhabitants of Goffstown the special need of vaccination to prevent the spread of smallpox.

About the usual number of complaints have been lodged with the board relating to imperfect sink drains, unsanitary water-closets, etc.

There needs to be considerable missionary work done to get the people educated up to the point of having reasonably sanitary drains and closets.

We wish to reiterate the advice so often given for the care and cleanliness of drains, closets, and cellars. Keep the drain open and free; closets frequently cleaned and disinfected; cellars dry if possible, and see that all decaying vegetables are at once removed.

The water supply of the houses should be looked after, and all sources of contamination removed.

By attending to these suggestions many of the so-called contagious and epidemic diseases would be mitigated and perhaps eradicated.

REPORT OF THE TRUSTEES OF THE ROGERS FREE LIBRARY.

In presenting this annual report there comes a feeling of sadness, and we experience a sense of inability to do sufficient credit to those who have so long and faithfully labored for the upbuilding of this institution, and who have been called away by death during the year. Their places it will be very hard to fill.

The late Judge Samuel Upton served as president, trustee, counselor, and adviser from the founding of the institution until his death, as did also Frank Johnson in the capacity of treasurer and trustee, and for many years as secretary, until the time of his death.

Under their wise and skillful management the library has reached its present prosperous condition. During the year there has been an urgent need of more room, and ways and means have been devised to supply this want by building additional shelves. However, this affords only temporary relief, as in the near future more room must be provided.

REPORT OF BOARD OF EDUCATION OF INDEPENDENT DISTRICT.

The Board of Education submit the following report:

This report gives the condition of the schools for the year ending September 1, 1902.

The schools have been in session 36 weeks,—one term of 14 weeks and two terms of 11 weeks.

Whole number enrolled during the year, 202; of these 190 belonged to the district.

The average attendance has been as follows: High school, 34; grammar school, 28; middle school, 24; higher primary school, 35; lower primary school, 30; total, 151.

The average membership for the year was 174.

The percentage of attendance was highest in the grammar school, being 95 per cent, and lowest in the primary, being 66 per cent. In the other schools the percentage was about 90.

In June a class of 6 graduated, 5 girls and 1 boy. At present there are in the lower primary room 20 boys and 21 girls. How many of the boys will graduate?

In our last report we called your attention to the sanitary conditions at the school, and at a special meeting it was voted to raise one hundred dollars to defray expenses of such repairs as might be deemed necessary. In accordance with the vote taken the committee have made the repairs and consider the result satisfactory.

We have also expended fifty dollars in purchasing physical apparatus. The committee have long had this matter under consideration, and felt that it was necessary to procure this to successfully teach physics and to maintain the standard of the school.

Mr. Barton taught the high school during the spring term, when he declined a re-election, returning to college to complete his course. Mr. Barton had had charge of the school for two years, and had proved to be a very successful teacher.

At the beginning of the fall term Mr. Walter B. Pierce assumed the principalship. Mr. Pierce came to us well recommended and is doing good work, having the confidence of pupils and parents alike, so far as we have been able to ascertain. Mr. Pierce has taken entire charge of the music in this room, thus enabling the music teacher to devote more time to the other schools.

Miss Annie M. French has continued as assistant, and is doing well.

Miss Laura M. Blood is finishing her second year in the grammar room, and is keeping a good school.

Mrs. Barton resigned at the close of the spring term and Miss Nina Kendall was elected to take charge of the intermediate room. She is doing excellent work.

Miss Helen B. Carr and Miss Mary A. Warren have had charge of the higher and lower primary rooms respectively, and as usual have been successful.

Miss Etta M. Hadley has had a successful year as music teacher.

We have long felt the necessity of increasing the work in the two lower rooms, or adding another year to the course. This could be done by securing the services of another teacher or by adding half a year to the work in the two rooms mentioned.

We would earnestly request that you give this matter your attention and consult with the committee at any time.

The best results can only be obtained by the united efforts of pupils, teachers, and parents, and we feel that this has been sadly lacking in the years past.

Visiting school the last day of a given term does not in any marked degree aid in this movement. Too often we hear complaints from parents that their children are crowded too much, when, upon investigation, it almost invariably happens that the complaint comes entirely from the pupil, and an explanation

convinces the parent that the seeming mountain is only a mole-hill.

We do not wish in any way to lay the blame entirely upon the pupil, but we all know the tendency of scholars to look upon extra work as a burden.

What we would especially recommend is that the parents should more thoroughly acquaint themselves with the workings of the school, also to attend our annual district meeting. Last year there were but eleven present, and we hope that the attendance this year will be many times doubled.

The annual meeting will be held March 7, at 2.30 o'clock in the afternoon, at the town house. It is essentially necessary that there should be a large attendance at that time, as it will be necessary to choose a successor to the late Judge Samuel Upton.

For eighteen years he devoted the greater part of his time to school work, and how well he performed that duty we all know. It was one of the pleasures of his life to take an active interest in our schools, and at no time did he seem as happy as when he was in the school-room surrounded by boys and girls.

While it will not be possible, perhaps, for any one to devote the time to the school that he did, yet we should endeavor to choose some one who will be able to bring the school to that level toward which he was striving.

We add the roll of perfect attendance.

REPORT OF THE SCHOOL BOARD OF THE TOWN DISTRICT.

With the close of the school year it is expected that the committee will report the condition of the schools.

In presenting our annual report it is with pleasure we note the improvement made for the benefit of education in our district.

It was thought best to discontinue the use of the Hazen Readers. We have adopted the Progressive series and so far they have given good satisfaction.

Repairs have been made where needed. The Kennedy Hill schoolhouse has been resingled and at Parker's new desks have been supplied.

The scholars have made good progress during the year. Our teachers have been devoted to their work and if some have failed to obtain the best results it has not been for lack of effort or good intention.

We wish to tender our sincere thanks to the citizens, teachers, and scholars of the town for their kindness and co-operation.

MOUNTAIN.

All three terms were taught by Miss Laura C. Brown. Miss Brown is a fine teacher and the school has prospered under her instruction.

PERFECT ATTENDANCE.—*Two Terms:* George H. Brown, Daisy May Brown.

One Term: Alwin Gatz, Emma Gatz.

SHIRLEY HILL.

All three terms taught by Miss Lena Mae Crough. We seldom see better results in a school of ten scholars. Thorough work, excellent progress, and good discipline.

PERFECT ATTENDANCE.—*Two terms:* Maurice H. Johnson.

One Term: Arthur F. Bartlett, Alice M. Ferson, Earle E. Johnson, Thomas E. Shirley.

KENNEDY HILL.

Spring term taught by Miss Lena E. Parker. Good progress was made.

Fall and winter terms taught by Miss Lizzie E. Brown. This was Miss Brown's first attempt and we cannot say too much in praise of her school.

MAST ROAD.

Miss Dora D. Holbrook, after being with us seven terms, closed her labors here with the spring term.

Miss Helen C. Townsend, a graduate of Bridgewater (Mass.) Normal School, taught the fall term. A very good degree of progress was made.

Mr. D. B. Bartlett, a graduate of the State Normal School, taught the winter term, under whose instruction the school prospered.

PERFECT ATTENDANCE.—*Three Terms:* Mabel P. Bartlett.

Two Terms: Verna A. Barnard, Ruth H. Bartlett.

One Term: Ernest K. Barnard, Eva Lawrence, Eddie Towne.

EAST PART.

The spring term was taught by Miss Maude I. Putney of Bow. Miss Putney is an excellent disciplinarian and taught a fine school.

Fall term, Miss Lena E. Parker.

Winter term, Miss Emma A. Root. Miss Root maintained good order. Had the attendance been more regular better results would have been accomplished. The teacher gave the best of instruction to those present.

TEBBETTS HILL.

All three terms were taught by Mr. Edwin A. Colby, who is satisfactory to both parents and pupils. Extra progress was made.

PERFECT ATTENDANCE.—*Three Terms:* Lucy E. Beard, Nellie R. Beard.

PERFECT ATTENDANCE.—*One Term:* Gladys Richards, Ruth Richards, Mand Kidder, Florence Geddes, Leland Geddes, Maizie Geddes, Muriel Geddes.

PARKER'S.

All three terms were taught by Lena M. Mudgett. Miss Mudgett gave good satisfaction and we say "well done." Good progress was made.

PERFECT ATTENDANCE.—*Two Terms:* Charlie Emerson, Warren Whitman, Lizzie Emerson, Ethel Whitman, Ruth E. Whitman.

PAIGE HILL.

Spring and fall terms taught by Miss Flora Paige. A few years ago this was one of our largest and best schools. Time with its changes makes sad havoc with some of our sub-districts, and for the want of scholars this school was closed for the winter term. Miss Paige did good work for so small a school.

PERFECT ATTENDANCE:—*Two Terms:* Earl C. Whipple.
